*Celebrating our
28th Year*

June 2009

Dear Parents:

The Head Counselors thought you'd like to know what they have planned for your child in addition to morning and afternoon classes. Our enthusiastic counselors have organized a variety of social and recreational activities for the afternoons and evenings. There will be supervised swimming and outdoor games, and a variety of board games and arts and crafts will also be available. Each evening we will have a group event. We have designed our evening programs to provide entertainment as well as opportunities for growth. Here are the highlights:

Sunday *Settling In* – Team Building and get acquainted activities followed by a snack.

Monday *Choice Night Activities*

Tuesday *Movie Night* – Campers view a camp movie at the historic Strand Theater, downtown Delaware.

Wednesday *Shall We Dance?* – Ever popular, OWjL Dance with professional D.J., Chris Davis.

Thursday *Skit Night* – Campers Participate in the memorable Skit Night, and enjoy the pizza party!
