8. **Phone Calls** – We request that parents **not** call students during their week at camp. In case of emergency, please use the emergency numbers. *Students are not to use the telephones.* In case of camper emergencies, please see the head counselors to help you make a phone call. **No cell phones or pagers are permitted.** In case of an emergency after office hours (8:30 a.m.-5:00 p.m.), you may call the **Director at 614-309-8001.**

10. **Conduct** – Campers are expected to conduct themselves at all times in a manner that will create a positive image for the OWjL Program and Ohio Wesleyan University.
11. **Roommates** – Campers are not given an opportunity to request roommates. We seek to give the students experiences with peers from other schools and communities. There is ample opportunity for friends to spend time together.

Infraction of the rules and regulations will be just cause for immediate dismissal from OWjL.
